

Syke

MODULAR SOFA SYSTEM

Design Mikko Laakkonen

Syke is a modern and clear-lined modular sofa designed for multiple purposes and fit in different interiors. With Syke lobby sofas, you can have a nice rhythm with otherwise simplistic lobby furnishing with different shapes and sizes.

The backrest of the Syke sofa is spectacular with its shape and possibility the play with the colours. The backrest is slightly angular and can be used to create versatile sofa sets guaranteeing the unique look of the sofa. The sofa consists of various modules.

Materials and finishing

Frame	Powder coated steel in ISKU standard colours.
