

MyFlow Office Table

HEIGHT-ADJUSTABLE TABLE

Design Vertti Kivi

MyFlow Office Table is an attractive and high-quality, height-adjustable electric table. Its rounded edges create a sophisticated look. The desktop has an integrated discreet power supply (USB-C) from which you can directly charge your devices.

Together with the designed-for-purpose MyFlow Table Screen, MyFlow Box and MyFlow Storage the table forms an elegant yet functional workstation for any space. Cable basket and control panel by default.
