

Lilly

3-person sofa

Design Nea Vikström

Lilly is a versatile and elegant sofa designed to adapt seamlessly to any space. Crafted to complement even the most sophisticated architectural styles, it places the user at the heart of the experience. Every detail, from the cushions to the structural design, has been carefully considered to ensure maximum comfort for both sitting and lounging.

With Lilly, you can create your ideal setup using modular, easily movable components that can be rearranged, separated, and recombined to suit your needs. Available in various configurations, including corner and straight options, Lilly also offers a selection of upholstery choices, allowing for complete personalization.
