

Tutto Meeting

MEETING CHAIR WITH CROSS-BASE

HEIGHT-ADJUSTABLE CROSS-BASE WITH CASTORS | 4-LEG CROSS-BASE WITH PADS

Design Mikko Laakkonen

Tutto is a beautiful and diverse family of chairs that grows and serves the wide variety of interior design needs. The newest member in the Tutto family is the soft and pleasant meeting chair with thicker filling for better sitting comfort. Tutto Meeting is a sturdy yet light chair for working or meeting rooms. The chair is available with two cross-base and backrest options, and with or without armrests. The chair can be upholstered with ISKU standard fabrics with some exceptions.

Antimicrobial option available.

Materials and finishing

Cross-base	Powder-coated steel (black, white, polished aluminum (chrome colored)
Wood	From ISKU standard collection birch, beech, oak and ash / Technical veneers / painted black or white (*wood part visible only in two-part seat)
Upholstery	ISKU standard collection (excluding Blazer, Comfort+, ESD, Europost2, Laminated Step and Maglia)
