

Duo

CONFERENCE & LOUNGE CHAIR

Design Antti Olin

The Duo conference chair is light, durable and ecological. Due to the heat-formed Grada plywood, the sitting comfort is excellent. The material flexes when sat on, and a thin cushion is sufficient. With the beautiful, technical birch veneer surfaces you can create functional groups and the fabric and leather options offer several attractive combinations. Conference chair available with low and tall backs, with or without armrest and with various upholstery options and fabrics.

Available with antimicrobial materials.

Materials and finishing

Frame	Technical veneer in natural colours (LN, LMG, LPLY and LSG). LN plywood with stained colours.
Seat upholstery	Selected ISKU fabrics and leathers
Leg	Conference chair: chromed cross-base. Lounge chair: silver, grey, black, white or chrome (Plate base: black, white or chrome)

Dimensions

The measures vary according to chosen model. See the detailed information on the Duo Conference / lounge Chairs' Datasheet.

Duo

LOUNGE CHAIR WITH WOODEN LEGS

Design Antti Olin

Duo Lounge Chair with wooden legs fits nicely with a wide range of spaces and decors with its relaxed and stylish look. The chair is light, durable and ecological.

The special Grada plywood makes the seating comfortable without compromising on smoothness or light look of design. The seat material is flexible and even a thin padding material is enough to ensure maximum comfort.

Materials and finishing

Frame & legs	Technical veneer in natural colours (LN, LMG, LPLY and LSG). LN plywood with stained colours
Upholstery	Selected ISKU fabrics and leathers

Dimensions
